

# 2025 Event Sponsorship Opportunities

## About GSIL

**As a statewide nonprofit organization and New Hampshire's only Independent Living Center, it is our mission to promote quality of life with independence for people living with a disability.**

**Consumers are in charge. That's what makes us unique.**

**Your sponsorship makes it possible for GSIL to operate 17 distinct programs and services including but not limited to: employment assistance, transportation, financial counseling, consumer directed in-home supports, community living services, student transition, peer support, and home modifications for accessibility. These programs and services benefit hundreds of consumers statewide with little to no cost, empowering people with disabilities to live their best lives. Your sponsorship helps us fill the gaps, turning challenges into opportunities, so everyone can live their best life. With the help of our local New Hampshire communities, we all bring independence to life.**

**Granite State Independent Living (GSIL) is a 501 (c) (3) nonprofit organization, federal tax ID #: 02-0350170. As required by Section 170 of the Internal Revenue Code, we acknowledge that you received neither goods nor services in return for your donation.**

# How Your Sponsorship Makes an Impact

"GSIL has been an amazing program for me. From the time I became eligible and started working with GSIL I have had nothing but pleasant experiences. I have had amazing staff who have given my life new meaning. I am able to get out into the community and partake in daily tasks such as grocery shopping (which I hadn't done in over 5 years), My mobility and overall health have improved, my self-confidence has become so much better, and I really feel like I am able to live independently again. I am forever grateful for my GSIL consumer directed program and the freedom it has given me." *Claire Pelletier, GSIL Consumer*

**98%** of the underserved students in our programs have severe learning or emotional disabilities.

"I am most grateful for GSIL and my health care worker allowing me to be taken care of at home. Without my health care worker Kim, I am unable to bathe, go food shopping, run errands or keep my area clean as well as my laundry and help with meals. GSIL and Kim allow me to remain independent in my own home and for that I am truly grateful." *Kevin J Wareing, GSIL Consumer*

In FY24, **12,235** hours of service per week were provided by the PCA, PCSP & PEDI Programs
